

SAFETY

At PupFit, your companion's safety is our number one priority!

We are a fully **insured**, and **bonded**, hiking service and our team members are certified in canine CPR.

PupFit Evaluations, and Temperament Tests, are conducted on *each new dog**, and assist us in determining whether a dog is a good candidate for our Adventure Hikes.

If a new dog has a fearful, non-trusting nature, or must be tricked, bribed, or convinced to come when called, then we will not hike that dog. If a dog has a history of fighting, or aggression towards people or dogs, then they are not a good fit for our service.

Historically, about 85% of the dogs we've tested have been able to hike with us!

All PupFit dogs are friendly, sociable, and do well in groups. In addition, our dogs take cues from leadership, and tend to stick with the pack. Although it is not mandatory, we prefer that your dog(s) have had *some basic training* and will come when called.

***Dogs under 25lbs on a case by case basis!**

- **All dogs must be a minimum of 6 months old**
- **Sorry, but no tea cup breeds.**
- **All dogs must be current on vaccinations and have tags**
